

Bay Pointe Villas
Landscape Clean Up Day

Saturday, April 6 8:30 a.m. – Noon

Text 254-479-1347 if you will help

Bring tools, wear gloves

This is residents' day to enjoy the sunshine and fresh air while we clean up Bay Point Villas grounds. Some of the activities planned are:

- Weeding the beds and bushes
- Spreading 100 bags of mulch
- Trimming and/or removing unwanted small trees, bushes, weeds
- Planting or transplanting hibiscus, lantana, donated plants and a magnolia tree

The morning will begin with breakfast pastries when we gather behind Unit 9. Bring your drink and a chair. It will end with accomplishment stories and sandwiches at noon.

A roll off dumpster will be delivered Thursday. It will be in the SW corner of the grassy area at the end of Marina Way. It will be available for 1 week to collect landscaping trash and items residents cannot put into the BPV waste dumpster.

Be sure to label tools you bring to share. Any plants you have to share would be appreciated.

Please RSVP Kay Lea at 254-479-1347 or yak0622@aol.com.
